MEMO ENDORSED

Re: United States v. Aaron Paul-Hudgins et al., 19 Cr. 677 (LTS)

Dear Judge Swain:

New York, NY 10007

The Government writes to respectfully request an adjournment of the next status conference in the above-captioned case, currently scheduled for December 5, 2019, for 30 days, or any date thereafter that is convenient for the Court. The Government has produced all discovery in its possession with the exception of several electronic devices that the Government has been unable to access to date. The Government is continuing to try to access those devices and will promptly produce the contents if it is able to do so. An adjournment will allow defense counsel to continue reviewing the discovery to consider what, if any, motions they intend to make. The Government consulted with defense counsel for each defendant, who consent to the adjournment.

Accordingly, the Government respectfully requests that time be excluded under the Speedy Trial Act between December 5, 2019 through the next scheduled conference, because the "ends of justice served by the granting of such continuance outweigh the best interests of the public and the defendant in a speedy trial." 18 U.S.C. § 3161(h)(7)(A). The Government consulted with defense counsel for each defendant, who do not object to the exclusion of time.

spectfully submitted,

The application is granted. The conference is Abanal to 1/7/20 at 10 Am in Courtroom 17c. The Court finds pursuant to 18 U.S.C. §3161(H)(7)(A) that the ends of justice served by an exclusion of the time from today's date through 1/7/20 outweigh the best interests of the public and the defendant in a speedy trial for the reasons stated above. SO ORDERED.
